[Sena Ultralim Pouch](#)

By [Yong Hwee](#) on Nov 24, 2007 in [iPhone](#)

I had no intention of using a case to protect my iPhone initially but after dropping it twice, something had to be done.

Without adding bulk to the iPhone, I settled for an [UltraSlim Pouch](#) by [SENA Cases](#). The case feels really good due to the fact that it's made of Napa leather. It's an excellent case for the iPhone without "spoiling" the look and feel of it.

All in all, I'm pretty happy with the purchase. The price of US\$29.99 isn't too expensive either.
