

SENA

"handcrafted, functional,
luxurious leather products"

SNEAK PEEKS

Sena Cases **LeatherSkin/Wallet Case**

As a variant on earlier LeatherSkin iPhone cases, the **LeatherSkin/Wallet** (\$52) combines a four-pocket wallet - including a transparent ID card holder - with a leather case that can hold an iPhone. Made from Napa leather, it includes a removable ratcheting belt clip, but is slim enough to pocket.
